Dan & Billy McLoughlin

Congratulations Billy & Dan

Billy is a 16 month old Tenterfield Terrier. Billy commenced his training with puppy classes at the Vet before joining Coastal Community Dog Training Club. Billy had a great time graduating through the Perfect Pups, New Dog and Good Dog 1 Classes. He's now in Good Dog 2 and has gained the foundations of a basically obedient dog. Billy likes to have fun, so he and handler Dan also train in the sport of Dances with Dogs (DWD), which can be trained at Coastal Community for graduates of Good Dog 2. DWD is an off-lead sport where people and their dogs perform together with a range of moves and tricks done to music.

In March, Billy entered his first DWD competition at the Gawler Dog Training Club, and it is here where all the training paid off. He stayed in the ring as well as getting 1st place! All it took was to have a rough training plan and to keep at it by spending 5 or 10 minutes with him a couple of times a day. We then had a "working" holiday in Victoria where there was a double DWD competition, and Billy once again got 2 passes which gave him his first official title, the DWD Freestyle Starters Title. So now he has the letters "FS.S" after his name - Congratulations to Billy and his pawsome handler Dan!
